PIRIE VOICES
Shaping our future, together

Good afternoon,

On behalf of the Pirie Voices Leadership Group, we'd like to invite you to join us for the launch of the **Pirie Voices 1,000 Voices Report on Monday 2 November 2026.**

Over the past year, Pirie Voices has been out in the community listening to what matters most to the people of Port Pirie. Through conversations, surveys, community events and workshops, we've heard from more than 1,150 people about what they value about living in Port Pirie, their hopes for the future, the challenges they face and what we can do together to make our community an even better place to live.

The report brings together what we've heard and provides a starting point for the next phase of Pirie Voices.

We'd love you to join us as we share some of the key findings, reflect on the journey so far and, importantly, discuss what comes next. We'll also talk about opportunities for community members, local organisations and partners to be involved in shaping the next steps and turning what we've heard into action.
